

Description of HEPKO Group Companies and Their Environmental Activities

(As of June 2006)

Group company	Businesses	Activities (summary)
Hokkai Electrical Construction TEL:(81)11-811-9411 www.hokkaidenki.co.jp	Electrical and telecommunications works, civil engineering and construction, piping, air-conditioning and water supply/drainage facility works, disaster prevention / anticrime equipment works	Energy conservation, resource conservation, waste reduction, recycling promotion, proposal of environmentally friendly products and works, abidance by environmental laws and regulations, cooperation and coexistence with surrounding areas
Hokkaido Electric Meters Industry TEL:(81)11-676-1111 www.keikou.co.jp	Maintenance, manufacture and sales of wattour meters, agency business of inspection, tests and installation of electric meters, machinery and equipment	Promotion of wattour meter recycling, reduction of waste generation, promotion of green procurement, observation of environmental laws, environmental awareness raising for employees
Hokuden Kogyo TEL:(81)11-261-1476 www.hokudenkogyo.co.jp	Advertising business, civil engineering and construction, greening work, real estate management, coal ash processing and sales, ISO business	Observation of environmental laws and regulations, improvement of energy use efficiency, promotion of waste reduction and recycling, promotion of green procurement, environmental awareness raising
Hokuden General Engineering Design & Consulting TEL:(81)11-222-4420 www.hokuss.co.jp	Comprehensive consulting services for construction, civil engineering, electricity, and environment	Proposals regarding environmental considerations, environmental conservation in communities, resource and energy conservation, continuous improvement of environmental management system, observation of environmental laws and regulations, improvement of employees' awareness about the environment
Hokkaido Power Engineering TEL:(81)11-221-3921 www.hpec.jp	Thermal power generation business, operations contracted out by thermal power stations, construction, maintenance, repair and operation of various types of plants, and consulting services	Compliance with environmental laws and regulations, promotion of energy- and resource-saving activities, minimization of waste generation, improvement of regional environment through business activities, environmental awareness raising for employees
Tomatoh Coal Center TEL:(81)145-28-3121 www.hepco.co.jp/group/tomatoh.html	Unloading, storage, and delivery of imported coal, marine transport agency business, customs clearance	Compliance with environmental laws and regulations, promotion of energy use efficiency, promotion of effective resource utilization, environmental awareness raising
Hokkai Hydro Generation TEL:(81)11-221-7745 www.hepco.co.jp/group/suiryoku.html	Wholesale supply business for hydropower generation, entrustment of consigned maintenance and management of hydropower generation equipment	Compliance with environmental laws and regulations, cooperation in regional environmental conservation activities, thorough energy-saving efforts
Hokuden Eihai Engineering TEL:(81)11-251-1141 www.hokuden-eihai.co.jp	Design, investigation and maintenance of power distribution equipment, business concerning land for power distribution, etc.	Environmental conservation of local communities during design and maintenance, promotion of clean energy dissemination, sales of products that contribute to energy saving, resource and energy saving, promotion of clean procurement, compliance with environmental laws and regulations, environmental awareness raising for employees
Hokkaido Telecommunication Network TEL:(81)11-341-3000 www.hotnet.co.jp	Telecommunications services, such as Ethernet communications networks and Internet connections, installation, maintenance, supervision and consulting of information communications networks, sales of network-related machinery and equipment, security business	Use of environmentally friendly products, promotion of recycling, reduction of standby electricity, sorted recovery of waste, effective utilization of paper resources, promotion of in-house education and awareness-raising activities, energy saving
Hokuden Life System TEL:(81)11-207-6611 www.hols.co.jp	Manufacture, sales and maintenance of 200-volt electric appliances, design and consulting of comprehensive systems regarding introducing many electric appliances in daily lives	Dissemination and expansion of machinery, equipment and systems that excel at mitigating environmental burdens, dissemination of electrical machinery, appliances and systems that contribute to load leveling, use of environmentally friendly products, in-house awareness-raising activities
Hokuden Information Technology TEL:(81)11-210-7717 www.hokuden-it.co.jp	Consulting, development, operation and management, and education regarding information processing systems; Internet data center services, etc.	Compliance with environmental laws and regulations, execution of corporate social responsibility, promotion of green procurement, thorough introduction of resource and energy saving, waste reduction, contribution to the creation of a recycling-oriented society, environmental awareness raising for employees
Chemical Biology Institute TEL:(81)11-888-8555 www.cbi.co.jp	Use, preservation and administration of intellectual property rights, investigation and research concerning biochemistry, including sugar chain engineering, and organic chemistry	R&D that fosters a recycling-oriented society and environmental conservation, promotion of energy and resource saving, waste reduction, promotion of recycling, proper management of chemical substances and waste, compliance with environmental laws
Energy Frontier TEL:(81)11-251-5656 www.hepco.co.jp/group/enagy.html	Electricity and thermal energy supply services for cogeneration systems, consigned air-conditioning system work, ESCO service	Promotion of energy saving through the improvement of energy use efficiency, promotion of energy saving at its own offices, practice of green procurement, compliance with environmental laws
Hokuden Sports Fields TEL:(81)11-391-3030 www.h-sf.jp	Management of soccer club, soccer field rental, planning, hosting and operation of consigned seminars and events	Environmental awareness raising for employees, promotion of energy saving, promotion of waste reduction and recycling, awareness-raising activities for children
Hokuden Digital Partner TEL:(81)11-667-9900 www.hokudendp.co.jp	Visiting services to solve PC and IT equipment-related problems, consulting services	Compliance with environmental laws and regulations, participation in local environmental conservation activities, promotion of resource and energy saving
Hokkaido Food Frontier TEL:(81)11-261-4321 www.foodist.co.jp	Retail of produce from Hokkaido, eat-in business, gift sales, event services, Internet shopping business, etc.	Enhancement of environmental awareness, compliance with environmental laws and regulations, promotion of resource and energy saving
Kenkou Create Hokkaido TEL:(81)11-753-3800 www.kenkou-ch.co.jp	Lease/maintenance of buildings/medical equipment, member healthcare services, health information service	Prevention of environmental pollution, resource and energy saving, promotion of recycling, active introduction of products that have little environmental burdens, waste reduction, compliance with environmental laws and regulations, promotion of environmentally friendly community development, environmental awareness raising for employees
Hokkaido Records Management TEL:(81)11-252-5825 www.hrm.jp	Document management/revision, consultation for e-municipalities, disposal and recycling of classified documents	Compliance with environmental laws and regulations, proposals of effective utilization of resources to customers, promotion of green procurement
