**Environmental Reporting Guidelines**  
The Environmental Reporting Guidelines were formulated by the Ministry of the Environment to show criteria for reporting on environmental conservation-related management. Such management includes policies, targets and plans, and environmental conservation activities based on environmental management.

**Note: The Company's fiscal year begins on April 1 and ends on March 31. FY (fiscal year) 2008 is from April 1, 2007 to March 31, 2008.**
